

PROGRAM ORVERVIEW:

The Manitoba Marlins Swim Club offers a unique, year long, comprehensive learn-to-swim program, taught by professional coaches at a world class facility. The structure of our program is designed to teach a series of skills that will provide a foundation upon which children will become safe and proficient in the water. Our philosophy is one that values the individual development of each swimmer while recognizing the unique experience of being part of a team.

We offer a well structured program with controlled, competitive progression, monitored on an ongoing basis. As swimmers move through the Mini Marlins program, the emphasis continues to be on fun, friendship, and the acquisition of aquatic fundamentals. Throughout the year, swimmers will have the opportunity to compete in "Mini Meets", which are designed to introduce the competitive aspect of our sport in a fun and safe environment!

OBJECTIVES & FOCUS:

- Development of speed, power and endurance through age/ stage appropriate activities
- Basic movement literacy
- ABC's (agility, balance, coordination and speed)

REGISTRATION:

We accept ongoing registration in our Mini Marlins program. If your child is between the ages of 6 and 12 years old and has completed Red Cross Swim Kids Level 4, please contact Mini Marlins Swim School Co-ordinator **Wendy Shewchuk at 204-995-6565** to have your child assessed. Once your swimmer has been placed in the appropriate class, please fill out the attached form and return, along with applicable fees, to the mailbox outside the Manitoba Marlins office:
